

## REGIONAL GRADING COMPETITION

On Sunday Richard's Trampoline Club had 5 members competing at the National Development Plan Semi-Finals in Cambridge. To compete today everyone had to achieve the qualifying score at a previous competition, with the aim being to qualify to represent the region in the Regional Team Finals in Birmingham.

Jacob Tuck was competing at Level 6, the highest level at the competition. He's worked hard this year, and his form marks have steadily improved to show this throughout the season. The standard was incredibly high in his group, so he did extremely well to finish in 3<sup>rd</sup> place overall, this also was enough to qualify him for the Regional Team Finals - well done Jacob!

Imogen Lawley was competing at Club Level 3, and it was great to see her improve her form marks by over 2 whole marks since her last competition. This placed her in 6<sup>th</sup> place.

Jo Wardle competed at NDP Level 2, and also has managed to improve her score at each competition this year. Caitlyn Bridgman and Miriam Jenkins were both competing at NDP Level 1, they worked really hard and did some great routines.
